About Us

Millennial Records is the leading E-commerce company in Dubai that sells and distributes an extensive list of vinyl records and has co-signed various upcoming artists. We also own High-quality studios for recording sessions.

Company Structure

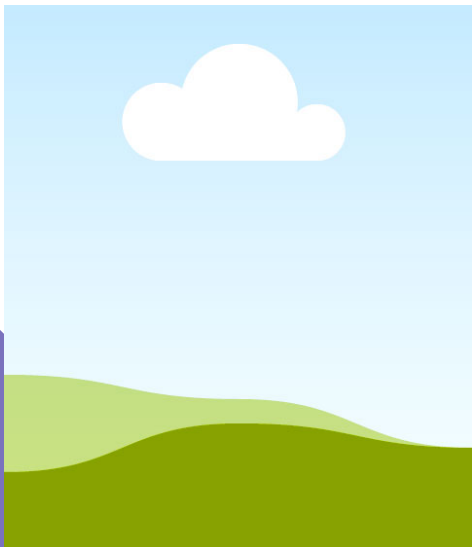

MINN THIT KYAW

Minn is a founding member as well as the Chief Executive officer. He and his college mate, Shaw co-founded the company in 1990. At that time, there was no certain name. They called it "Crazy CDs" as the idea was based on their enthusiasm in hip-hop culture. Later in 1998, Minn met with Hamza who later became CLO of the company. After Shaw's resignation in 2000, the company was getting registered as "Millennial Records" and they also recruited the core members, Rohit and Taukeer.

CHIEF EXECUTIVE
OFFICER

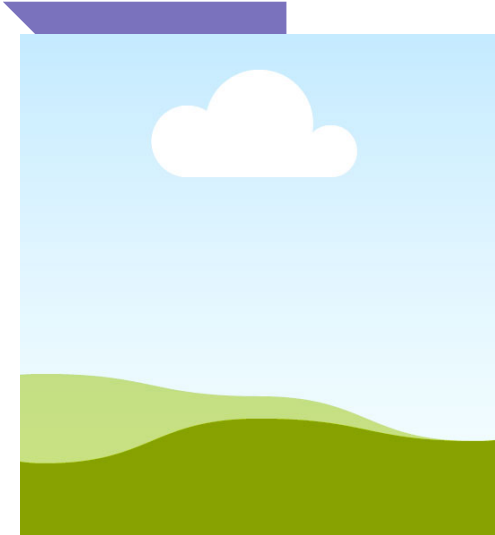

HAMZA AHMAD

Hamza Ahmad is a founding member as well as the Chief Security Officer of Millennial Records. He is a core member of the business and without him Millennial Records would simply not exist. Hamza was able to revolutionize the brand through innovation and long term strategy leading us to greater productivity. Hamza earned a degree in law as well as in accounting, therefore he was appointed as our Chief Security Officer.

CHIEF LEGAL OFFICER

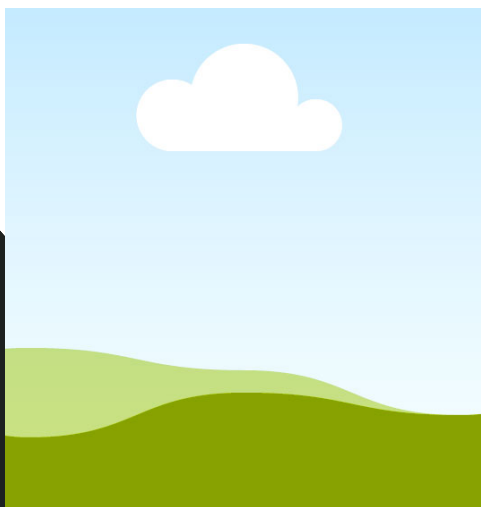

Company Structure

ROHIT RAMNANI

Rohit Ramnani is the chief technology officer at millennial records. with a background in computer science and information technology he successfully led the development and implementation of innovative software and digital solutions for the company. His skills in music streaming platforms, digital content distribution, and online music marketing have greatly contributed to the company's success.

CHIEF TECHNOLOGY
OFFICER

TAUQEER KHAN

tauqeer khan is the chief creative officer of your company. he is the heart of our creative team. His exceptional love for various music types help him to better understand artists and producers, their needs to develop legendary music releases.

CHIEF CREATIVE
OFFICER

Values

EQUALITY

We as a company do not tolerate any kind of racism at all, do not discriminate, and not judge anyone based on looks or ethnicities. Treating everyone the same is a core value of Millennial Records as this is the reason why we grow and continue to push the boundaries in the music industry.

ACCOUNTABILITY

Every employee needs to show responsibility and take ownership of what they do inside and outside of work. We keep conscious of what we say to people and what we do whether we make a mistake or not in the company.

Values

TEAM WORK

An organized effort by all group members at Millennial Records causes our business to grow and thrive as more minds are put to a task the greater the outcome will be. Each member is responsible for the work put out.

QUALITY

At millennial Records, we expect the highest quality from everyone and their peers among them. We put all our heart and hard work into what we create in order to deliver the highest quality of products.

MISSION

CONNECTIONS

Connect music enthusiasts all over the world with the power of exceptional music.

MUSICAL DIVERSITY

Owning and producing a diverse selection of high-quality records and delivering a unique shopping experience for our loyal customers,

VIBRANT COMMUNITY

Foster a inclusive community where artists, collectors, and music lovers can discover and celebrate the transformative magic of music.

COMMITMENT & AUTHENTICITY

Through our commitment and authenticity, we plan to innovate and produce records that satisfy our consumers. We aim to inspire and elevate the joy of music, through our artist.

Company Services and Products

Welcome to our music records, where we offer a range of services customized to address the issues of artists and performers. We offer professional music production, recording, and mixing services to help you realize your musical vision. We do this by utilizing our skilled team, cutting-edge recording facilities, and connections to the industry. To ensure that your distinctive sound reaches a wider audience, our experienced A&R professionals are committed to discovering and cultivating talent. We also provide services for artist management, marketing, and promotion, with the goal of making you more visible in the industry and increasing your chances of success. Whether you're an emerging artist or a laid-out performer, our organization is focused on supporting your creative journey and assisting you with accomplishing your goals.
